

Advisory for Students on the Updates of Safe Management Measures (SMMs) with Effect from 15 March 2022

Dear Students,

Please refer to the following for a summary of the updates on Safe Management Measures (SMMs) with effect from 15 March 2022:

(A) Entry requirement into SUSS

- All enrolled students will be exempted from the Vaccination-Differentiated Safe Management Measures (VDS) requirement to enter campus for now, until further notice.
- **All students are allowed to return to campus to attend classes, regardless of their vaccination status.**
- Please show your full-time concession card/part-time student card/course timetable at the campus entrance points in order to enter the campus.

(B) Eligibility to Take Part in Higher Risk Activities for Different Groups on Campus

All partially vaccinated/unvaccinated students, including those who are medically ineligible for all COVID-19 vaccines under the National Vaccination Programme, **are required to perform a self-administered Antigen-Rapid Test (ART) once every 7 days to take part in higher risk activities* on campus.**

Students taking the ART for higher risk activities will need to submit their results [here](#). Test results will be valid for 7 days from the date of test.

Unvaccinated students who have recovered from COVID-19 in the last 180 days will be exempted from the weekly ART.

***Higher-risk activities include indoor unmasked activities, as well as dining in at F&B establishments.**

(C) Teaching and Learning

Mask-on classes/lectures/exams

- **No zoning or VDS requirements and no more than 1,000 individuals or 50% of the venue capacity, whichever is higher.**
- **Safe distancing is encouraged, but not required between individual and groups.**

(D) Safe Management Measures for Student Activities:

Indoor or Outdoor mask-on activities

- No zoning requirements and **no more than 1,000 individuals or 50% of the venue capacity, whichever is higher.**
- VDS will apply for activities/events involving external attendees (e.g. parents for convocations, non-enrolled students from other institutions, prospective students for open house)

Indoor mask-off activities

- **No more than 30 participants** are allowed, including the trainer(s), with VDS. There should be at least 1-metre distance between individuals, or minimally at least 1-metre distancing between **groups of no more than 5 persons.**

Outdoor mask-off activities

- No more than **50 participants** are allowed, regardless of vaccination status. There should be at least 1-metre distance between individuals, or if this is not possible, at least 1-metre distancing between **groups of no more than 5 persons**.

Sports activities

- In addition to the guidelines on group sizes and participant limits above, sports activities should continue to adhere to the other SMMs in [SportSG's prevailing advisory](#).
- All indoor sports activities will be subjected to VDS, while outdoor sports activities can be conducted regardless of vaccination status.
- Unsupervised team sports (i.e. self-organised at other locations on campus) are only allowed to have group sizes of **no more than 5 persons**

Team sports activities

- To resume with up to **30 fully vaccinated individuals** at designed sports facilities on campus, with strict SMMs found [here](#)

Voice training, speech and drama, singing and playing of wind and brass instruments

- In addition to the guidelines on group sizes and participant limits above, these activities should continue to adhere to [NAC's prevailing advisory](#).

Live performances

- No more than **1,000 masked audience members, or 50% of the venue capacity**, whichever is higher and to maintain at least 1-metre safe distancing from performers. Please refer [here](#) for more information.

Please check your email and the student portal regularly for more updates on COVID-19, or refer to our [website](#) for more information. Do keep well and stay safe!

Best regards,
Student Support Department
