

Note:

- List is subject to changes without prior notice.
- Courses are typically assigned 5 credit units (5-cu). Each 5-cu course is taught over 6 weekly 3-hour seminars. Each term consists of 6 Class Weeks. The frequency of the class for a 5-cu course is once a week. Term 1 starts on either Class Week 1 or 2; and Term 2 starts on either Class Week 8 or 9.
- Certain courses do not follow the Full-Time Undergraduate schedule, hence the 2-week Inter-Term break may or may not apply to these courses.
- Certain 5-cu courses run on a semester basis. A semester basis refers to 13 weeks. Courses that start in Class Week 1 will end on Class Week 13, and courses that start in Class Week 2 will end on Class Week 14.
- Certain courses are designed with pre-course quizzes. Please note that the attempt period for the Pre-Course Quiz will start before this course commences. Students who fail to attain at least 60% for the Pre-Course Quiz will be deemed to have withdrawn from the course.
