

SIM HQ Campus Factsheet
A) SIM CAMPUS DEVELOPMENT MASTER PLAN:

Launched in 2009, SIM's Campus Development Master Plan strives to develop a learning environment for students with the campus as the 'third teacher', enhancing learning through the creation of an environment that is both dynamic and flexible. SIM's \$300 million Campus Development will render an additional 63,000 square meters of space and will be rolled out in two phases. Phase One which is the annex building adjacent to the current HQ building was completed in 2011 and Phase Two is estimated to be completed by 2014.

B) ARCHITECTURAL CONCEPT:

SIM's Campus Development Master Plan was designed to give the campus a contemporary look while embracing the concepts of sustainability, functionality, economy, and design excellence.
