1. Gross income refers to amount before deduction of CPF. It includes allowances, overtime pay, commission, bonus, etc., as well as other sources of income (e.g. rent).

2. Each Academic Year consists of two semesters i.e. January and July Semester. The criteria to be awarded the full bursary amount is that students need to have at least one new or repeat course taken in each of the two semesters for which the bursary is awarded.

3. Students who are awarded bursaries/study awards/scholarships, which are meant to cover the tuition fees only, can concurrently hold the Higher Education Community Bursary or Higher Education Bursary. Students who are holding awards or bursaries that are meant for specific programmes on top of the tuition fees and living expenses, such as bursaries meant for participation in overseas exchange programmes, can also concurrently hold the Higher Education Community Bursary or Higher Education Bursary.

4. Higher Education Community Bursary and Higher Education Bursary recipients will receive the bursary disbursement via PayNow (NRIC*) from SUSS according to the above disbursement period. Please note that the disbursement approach for Higher Education Community Bursary is a special arrangement due to the COVID-19 situation, and is subject to change.

* Please ensure that you have registered for a PayNow account using your NRIC instead of mobile number, or that your existing account is linked to your NRIC.
