Hello everyone!
**The application for the SUSS Graduate
programmes July 2027 intake is now
open.**

**Let me introduce SUSS admissions
process and talk about how applicants
can complete the admission
applications.**

APPLICATIONS

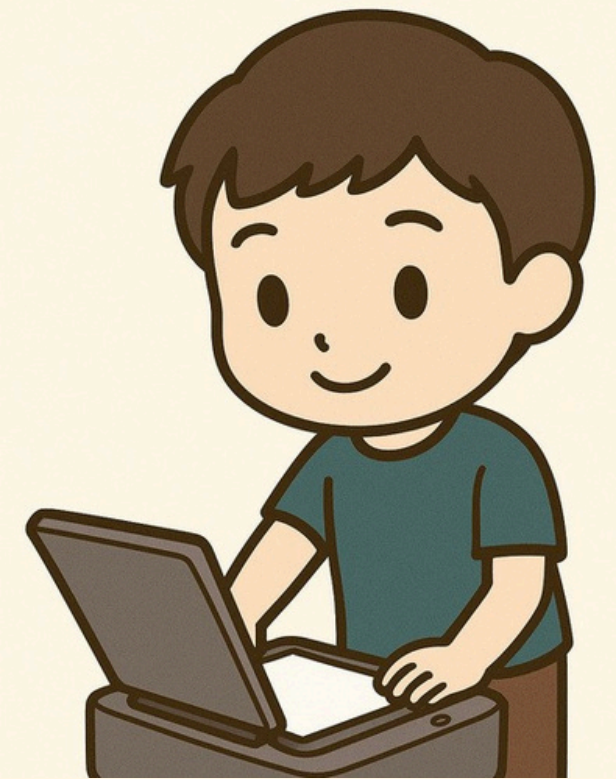

Self-assessment based
on admissions criteria

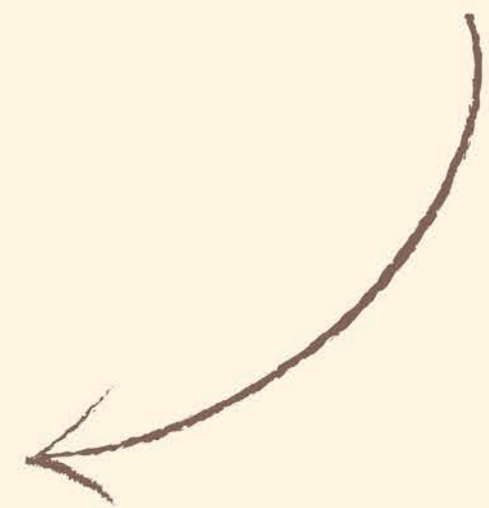

START

Prepare documents
required for application

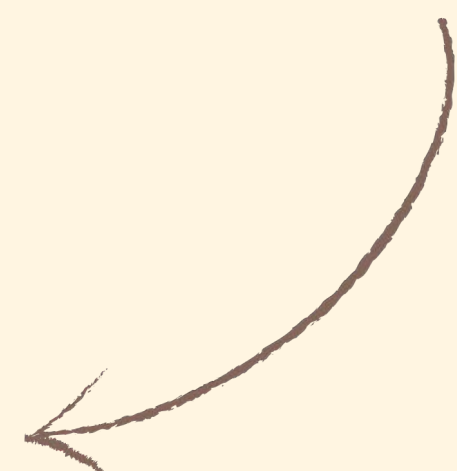

Submit application
online

Shortlisted applicants register
for interview session and submit
questionnaire (if applicable)

Undergo admissions
interview

Step 1: Self-assessment based on programme's admission requirements

A bachelor's degree
or equivalent
qualification
recognised by SUSS

Language
proficiency

Other requirements
for specific programme

English-taught programmes

If your undergraduate studies were not conducted in English, applicants must provide at least one of the following proof of English proficiency:

- IELTS score of 6.5 or above
- TOEFL paper-based score of 580 or above
- PTE Academic score of 58 or above
- Cambridge English C1 Advanced score of 180 or above
- MUET Band 4 or above (Malaysian University English Test)

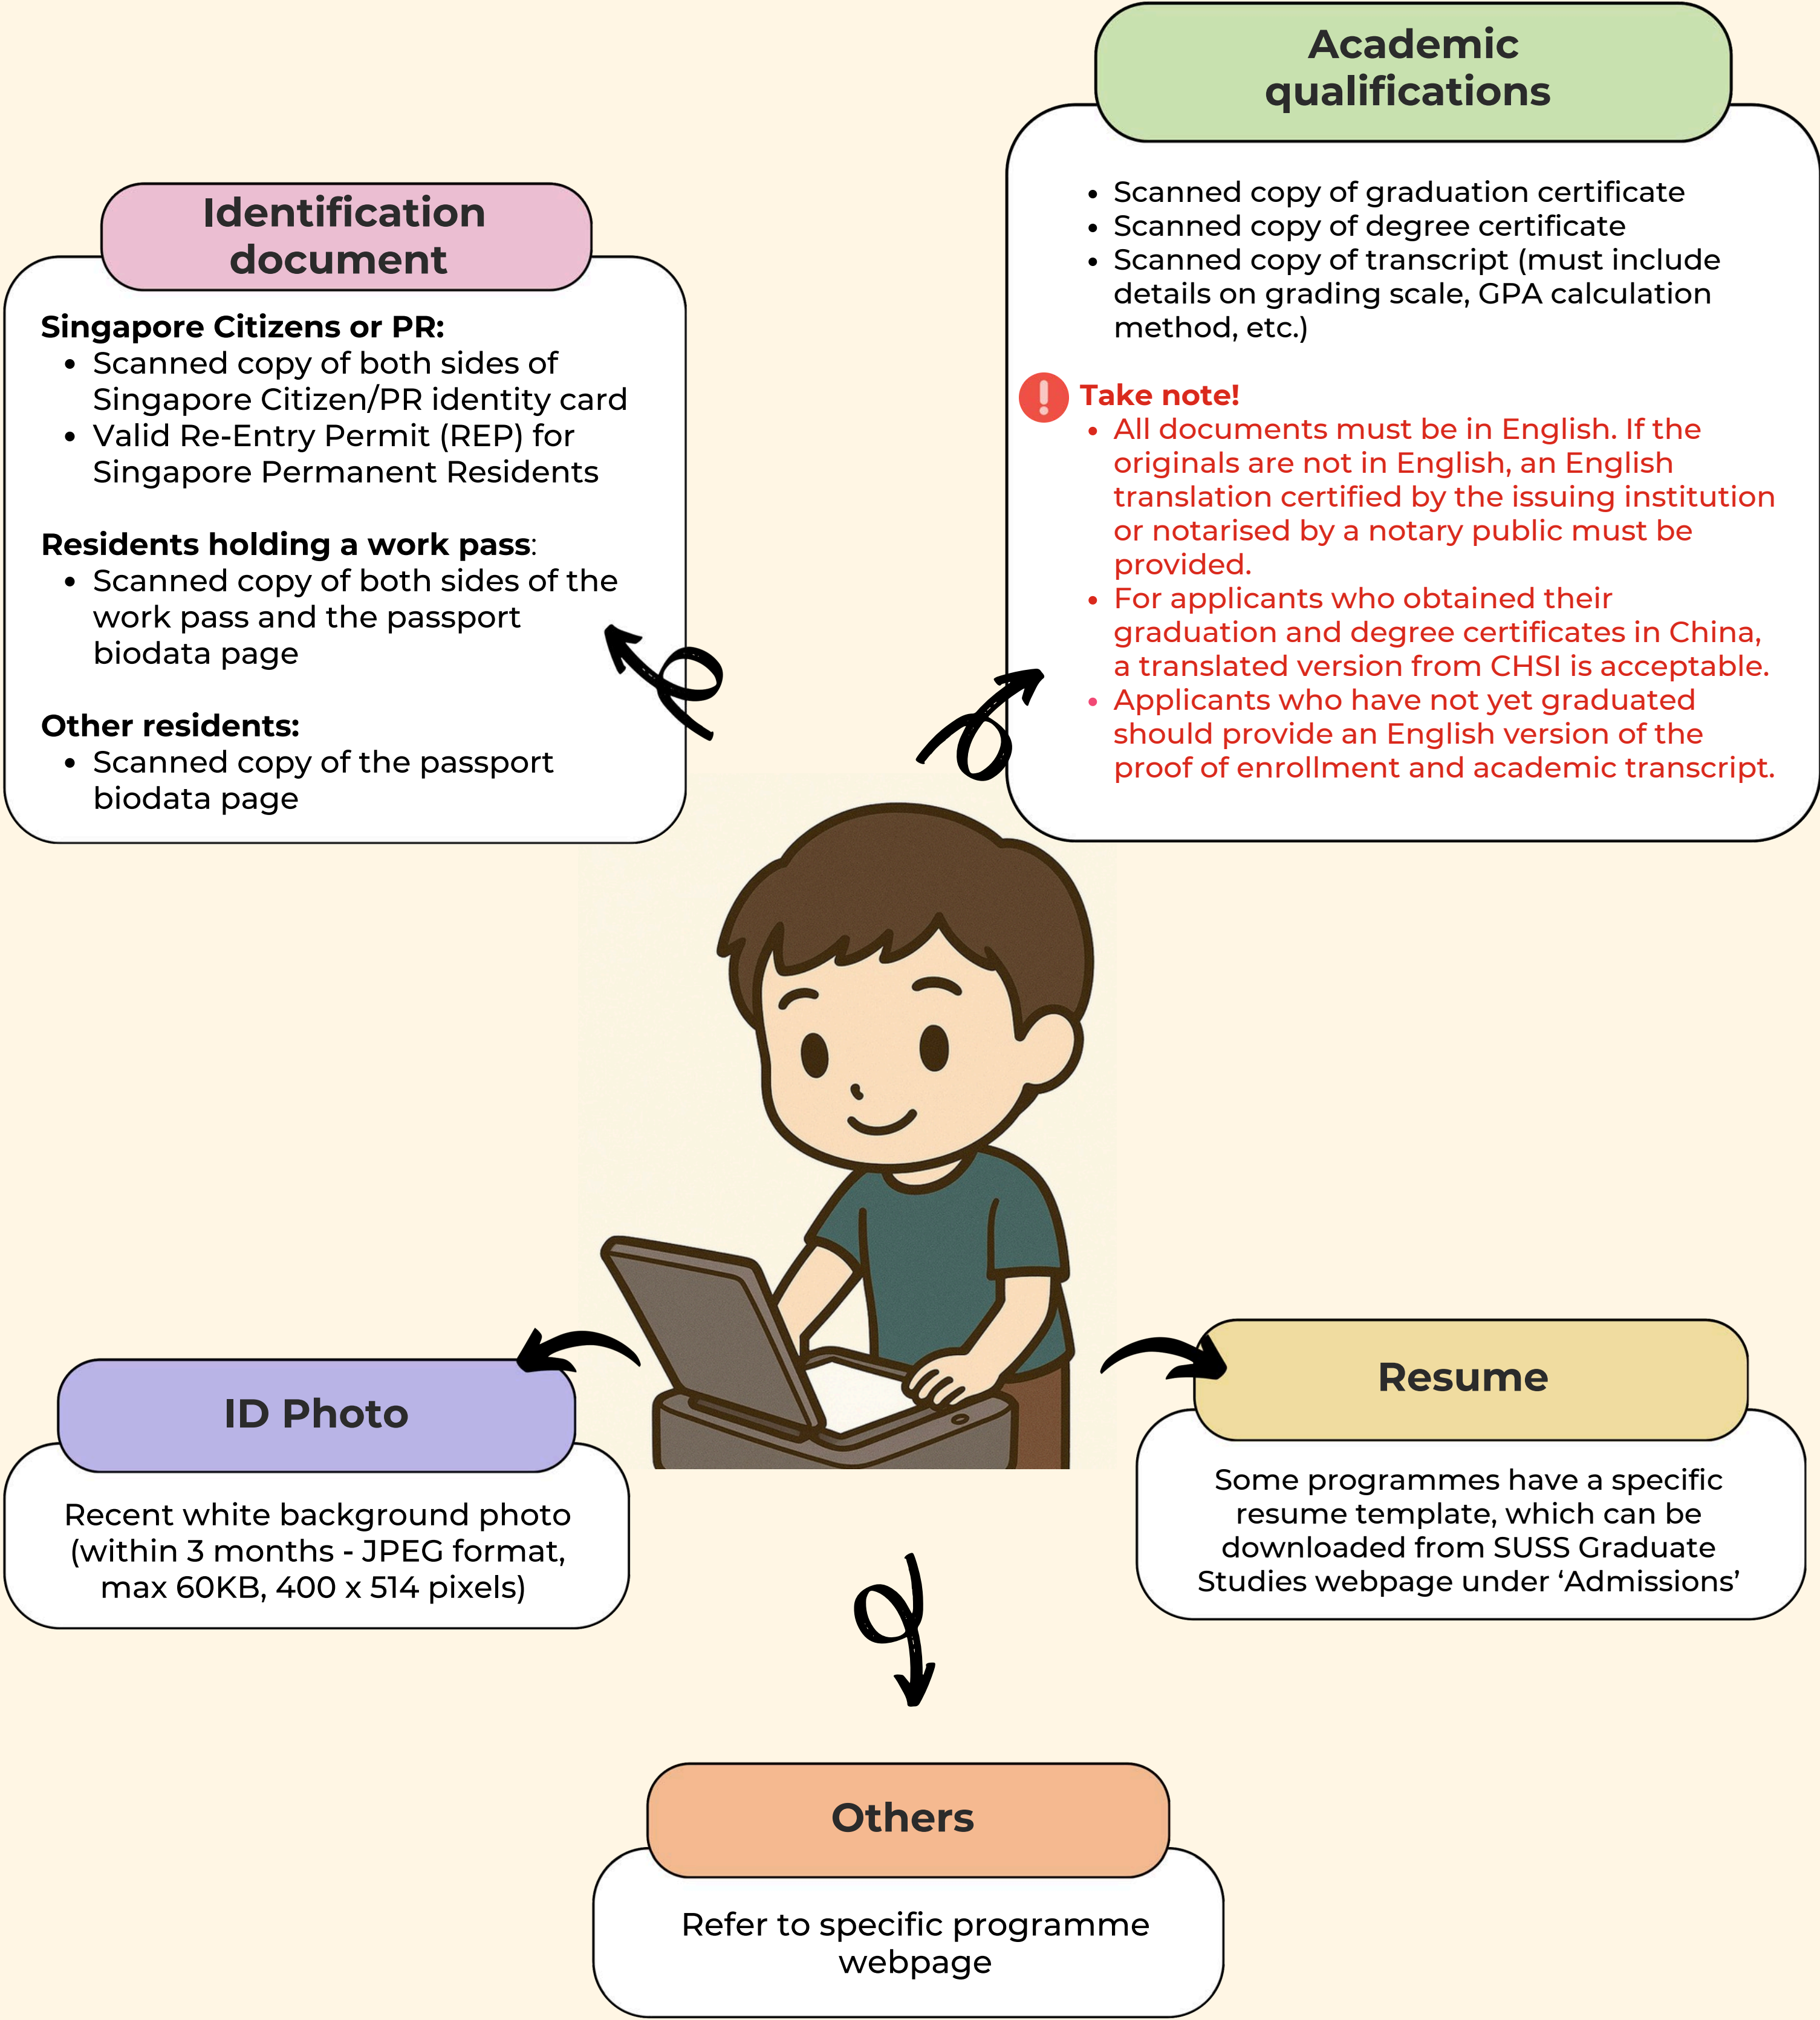

If your language score is close to the required standard, you may take the SDE101 course and participate in the SUSS internal language test.

Chinese-taught programmes

If your undergraduate studies were not conducted in Chinese, applicants must have an HSK Level 5 score of 180 or above.

Certain programmes have specific requirements regarding the applicants' academic background, work experience, and other criteria. Please refer to the programme website or consult SUSS Graduate Studies for details.

Step 2: Prepare supporting documents

Step 3: Submit application online

Step 4: Register for interview session and submit the questionnaire (if applicable)

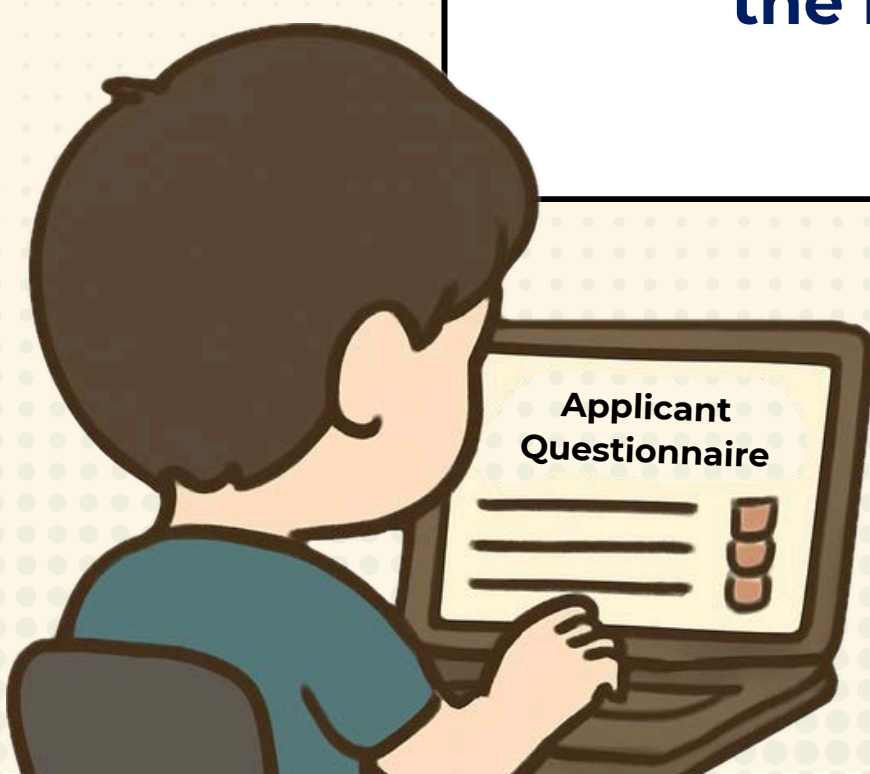

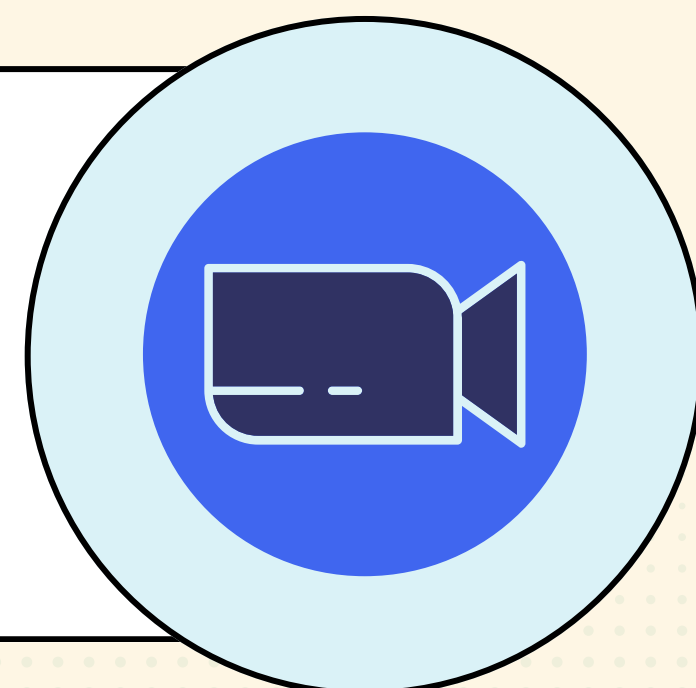

Applicants who meet the preliminary criteria will receive an email from the programme team for an interview.

Click the link provided in the email before the registration deadline, log in to the interview portal, and complete your registration for the interview.

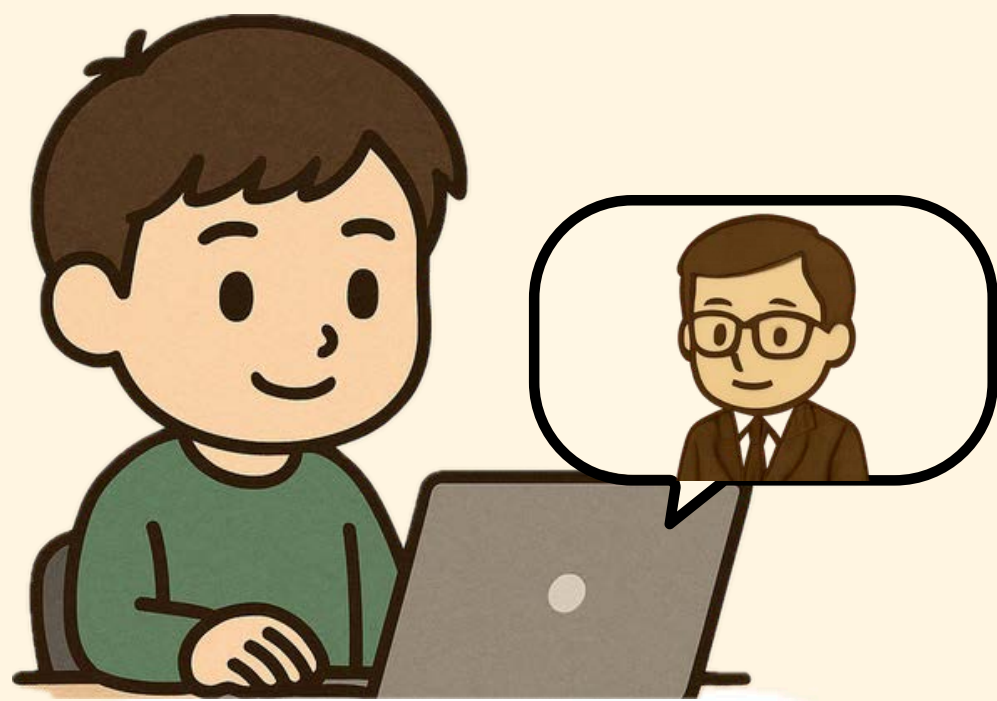

Fill out the questionnaire attached to the interview invitation email and email it back to the programme team within the specified timeframe.

Install Zoom and ensure that Zoom is functioning properly by clicking on the meeting link provided.

Step 5: Admissions Interview (if applicable)

Online interview with the Head of Programme

Review by SUSS Admission Committee

Review by SUSS Admissions Team

Review by the Dean

Admission Results

Friendly Reminder
