

# HRM357e Workforce Planning

**Level:** 3

**Credit Units:** 5 Credit Units

**Language:** ENGLISH

**Presentation Pattern:** EVERY SEMESTER

**E-Learning:** BLENDED - Learning is done MAINLY online using interactive study materials in Canvas. Students receive guidance and support from online instructors via discussion forums and emails. This is supplemented with SOME face-to-face sessions. If the course has an exam component, this will be administered on-campus.

## **Synopsis:**

Workforce planning is an integral part of organizational performance and success. It provides management with a way to align the workforce with its business strategies and address current and future staffing requirements. Good planning creates direction and a foundation for allocating resources. While workforce planning is chiefly a responsibility of management, several business units within the organisation contribute towards the overall plan, including human resources.

## **Topics:**

- Human Resource planning (HRP): aims, objectives, and perspectives
- Linking business plans to workforce plans
- Economics and labour market demographics
- Human resource planning: an overview of the HRP process
- Estimating HR staffing requirements
- Measuring success: workforce analytics and auditing
- Barriers to successful HRP
- The recruitment pipeline
- Implementation: HRP in hiring, training and development
- Managing growth and decline
- HRP and globalisation
- The legal framework and workforce planning: issues and challenges

## **Textbooks:**
