

LAW303 Law of Business Organisations

Level: 3

Credit Units: 5 Credit Units

Language: ENGLISH

Presentation Pattern: EVERY JULY

Synopsis:

LAW303 Law of Business Organisations introduces the Law Student to the various ways businesses can be organised in Singapore – from a sole proprietor to a public company listed on the stock exchange. Focusing on companies, students will learn and explore the rights of obligations of the various stakeholders in relation to each of these business organisations, as well as explore how these business organisations are formed, and in the end, dissolved.

Topics:

- Business Organizations in General
- Companies: Limited and Unlimited, public and private and Related Companies
- Incorporation and Corporate Personality; Memorandum and Articles of Association
- Membership: Shareholders in a Company, Minority Rights; Meetings
- Shares in a Company; different classes of shares
- Debentures and Charges
- Directors and Other Officers of a Company; Directors' Duties and Liabilities
- Enforcement of Corporate Rights; Company Administration; Shares in a Company
- Protection of Creditors of a Company
- Liquidation of a Company; Judicial Management of a Company

C.S. Yeo, Victor & Lee, Joyce & Hanrahan, Pamela & Ramsay, Ian & Stapledon, Geoffrey: Commercial Applications of Company Law in Singapore (6th Edition) - SETBOOK FOR ASSOCIATE 6th Wolters Kluwer
ISBN-13: 9789814446778-AA

Learning Outcome:

- Explain the various sources of the relevant law, how it is made and developed; of the institutions within which that law is administered and the personnel who practice law
- Demonstrate understanding of legal concepts, values, principles and procedures of Singapore law and explain the relationship between them in a number of subject areas, as well as to apply them
- Analyse fact patterns to identify relevant issues of law, fact and procedure.
- Indicate the relevant rule of substantive law, procedure or evidence relevant to the issues identified
- Apply the relevant laws and principles to come to a conclusion on the issues
- Formulate an opinion, provide a solution and advise based on the conclusions
- Discuss critically, competing arguments in literature or in a group situation and make a reasoned choice between alternatives
- Express ideas, concepts and arguments in the English language and legal terminology with care and accuracy
- Employ information technology in an office environment for the search for information, the preparation of documents and presentations
