

MKT354e Brand Management

Level: 3

Credit Units: 5 Credit Units

Language: ENGLISH

Presentation Pattern: EVERY JULY

E-Learning: BLENDED - Learning is done MAINLY online using interactive study materials in Canvas. Students receive guidance and support from online instructors via discussion forums and emails. This is supplemented with SOME face-to-face sessions. If the course has an exam component, this will be administered on-campus.

Synopsis:

MKT354 Brand Management is the practice of inventing, developing and nurturing a company's most important asset – its brand. The intangible value of a branded product or service differentiates it from competitors and creates strong bonds with consumers and customers. Students will learn about the design and implementation of marketing programmes and activities to build, measure and manage brand equity.

Topics:

- Introduction to brand management
- Customer-based Brand Equity
- Brand Positioning
- Choosing Brand Elements to build brand equity
- Designing Marketing Programmes to Build Brand Equity
- Planning Integrating Marketing Communications to Build Brand Equity
- Leveraging Secondary Brand Association to Build Brand Equity
- Developing a Brand Equity Measurement system and measuring sources of brand equity
- Designing and implementing Branding Strategies
- Introducing and naming new products and brand extensions
- Managing brand over time
- Managing Brands over Geographic Boundaries and Market Segments
