

MKT361e Business-to-Business Marketing

Level: 3

Credit Units: 5 Credit Units

Language: ENGLISH

Presentation Pattern: EVERY JULY

E-Learning: BLENDED - Learning is done MAINLY online using interactive study materials in Canvas. Students receive guidance and support from online instructors via discussion forums and emails. This is supplemented with SOME face-to-face sessions. If the course has an exam component, this will be administered on-campus.

Synopsis:

This course seeks to provide students with a sound introduction to the distinct nature of business-to-business (B2B) marketing, as well as its relative importance compared to consumer-focused marketing. It focuses its attention on the unique characteristics, issues and challenges faced by marketers when the customer is an organisation in terms of market research, buying behaviour, and marketing mix management. Emphasis is also placed on e-business as it has become the success story of exception in the otherwise unachieved internet revolution.

Topics:

- Introduction to Business Marketing
- Business Buying Process & Behaviour
- Business Market Analysis
- Business Market Segmentation
- Business Marketing Strategies
- E-Commerce in the Business Market
