

MLL313e Topics in Interpretation

Level: 3

Credit Units: 5 Credit Units

Language: ENGLISH

Presentation Pattern: EVERY JAN

E-Learning: BLENDED - Learning is done MAINLY online using interactive study materials in Canvas. Students receive guidance and support from online instructors via discussion forums and emails. This is supplemented with SOME face-to-face sessions. If the course has an exam component, this will be administered on-campus.

Synopsis:

This course aims to familiarize students with the key areas and theoretical aspects of interpreting, and provide the related practical sessions on each aspect covered. Students will be exposed to issues in the interpreting process, expectations of different user groups, the role of the interpreter, professional code of conduct, quality assessment, and the role of culture and politeness in interpretation. Although particular focus will be given on simultaneous interpretation, the other interpreting mode (consecutive) will also be stressed. Students will be expected to take part in mock interpreting sessions in the interpreting lab.
