

SWK201e Legal and Ethical Issues in Helping Professions

Level: 2

Credit Units: 5 Credit Units

Language: ENGLISH

Presentation Pattern: EVERY SEMESTER

E-Learning: BLENDED - Learning is done MAINLY online using interactive study materials in Canvas. Students receive guidance and support from online instructors via discussion forums and emails. This is supplemented with SOME face-to-face sessions. If the course has an exam component, this will be administered on-campus.

Synopsis:

Understanding the legal provisions in the social service settings in Singapore is crucial to social workers. This course helps students to understand a wide range of legal provisions in the social service settings in Singapore and helps students to understand a wide range of issues concerning these legislations. It also looks at the social worker as a person and as a professional and how he/she should apply ethical standards in practice with reference to the Code of Professional Ethics of the Singapore Association for Social Workers (SASW).

Topics:

- Introduction to ethics
- SASW Code of professional ethics
- Fundamentals of ethical decision making
- Ethical decision making process
- Legislations concerning vulnerable groups
- Ethical dilemmas
- Social worker's ethical responsibility to clients
- Social worker's responsibility to colleagues
- Social worker's responsibility to practice settings
- Social worker's responsibility as professionals
- Social worker's responsibility to the profession
- Social worker's responsibility to society

Textbooks:
